

**Czernecki-Donnelly Award 2022
of the *European MCL Network***

We invite you to apply for the above mentioned award which is endowed with 5.000 €.

Preferably younger investigators should submit:

- full manuscript focussing on basic science, translational or clinical aspects of mantle cell lymphoma published in 2021
- structured cv including a list of publications and other grants of the applicant
- application letter

All submissions will be evaluated by the Board of the *European MCL Network*.

Grantees will be announced at the EHA 2022 Hybrid Congress in Vienna during the session of the *EHA LyG* scientific working group.

Awardees are invited to present their work during the next annual conference of the *European MCL network*.

Please send your applications until April 15th 2022 to: European-MCL.net@med.uni-muenchen.de
